October 18, 2016

Scope and Topics

The AGORA International Law Conference (AILC) has been founded in 2007 founded by E.-A. Iancu (Nechita) and M.-J. Manolescu and it was organized every year (AILC 2015 - AILC 2007) on specific subjects on juridical sciences.

For the 10th edition AILC 2016 are invited to participate local and foreign professors, specialists and researchers concerned with disciplinary and inter-disciplinary studies.

The organizers have set as objective to bring to the attention of participants current issues in legal sciences, comparative approaches laws of other states, relevant analysis and critical remarks as well as ferenda bill in the context of Romanian legislation and not only is being in a continuous and necessary change, sometimes hard to be accomplished.

In the conference program will be able to enroll research teams, teams of specialists from Romania and abroad with online interventions.

For this purpose the organizers will provide appropriate technical equipment and conduct discussions via video conference.
