

**ICCCC2024: 2024 10th International Conference on Computers Communications and Control**  
**Hotel President, Baile Felix, Oradea, Bihor, Romania, October 08-12, 2024**  
**Conference website: [ICCCC2024 - \(univagora.ro\)](https://www.univagora.ro)**

The International Conference on Computers Communications and Control (ICCCC) has been founded in 2006 by [I. Dzitac](#), [F.G. Filip](#) and [M.-J. Manolescu](#) and organized every even year by [Agora University of Oradea](#), under the aegis of the [Information Science and Technology Section](#) of Romanian Academy.

The goal of this conference is to bring together international researchers, scientists in academia and industry to present and discuss in a friendly environment their latest research findings on a broad array of topics in computer networking and control.

### Submission Guidelines

---

All papers must be original and not simultaneously submitted to another journal or conference. The following paper categories are welcome:

- Each paper must consist of a minimum of 6 pages, **recommended** between 6 and 16 pages and in LaTeX format (one column, A4);
- The papers must describe original, previously unpublished, completed research that is not currently being reviewed by another conference or journal, addressing cutting-edge research and development in all areas related to networking and computer control.
