

ICCCC2024: 2024 10th International Conference on Computers Communications and Control
Hotel President, Baile Felix, Oradea, Bihor, Romania, October 08-12, 2024
Conference website: [ICCCC2024 - \(univagora.ro\)](http://univagora.ro)

The International Conference on Computers Communications and Control (ICCCC) has been founded in 2006 by I. Dzitac, F.G. Filip and M.-J. Manolescu and organized every two years by [Agora University of Oradea](http://univagora.ro), under the aegis of the Information Science and Technology Section of Romanian Academy.

The goal of this conference is to bring together international researchers, scientists in academia and industry to present and discuss in a friendly environment their latest research findings on a broad array of topics in computer networking and control.

Submission Guidelines

All papers must be original and not simultaneously submitted to another journal or conference. The following paper categories are welcome:

- Each paper must consist of a minimum of 6 pages, **recommended** between 6 and 16 pages and in LaTeX format (one column, A4);
- The papers must describe original, previously unpublished, completed research that is not currently being reviewed by another conference or journal, addressing cutting-edge research and development in all areas related to networking and computer control;
- An author can submit a maximum of 2 works!
