## General Notes

Before students can enroll at Agora University of Oradea, they need to be nominated by a sending University, with whom there is an Erasmus+ inter-institutional agreement in place. Please note that we do not provide accommodation for students, however we can offer information about existing accommodation in town, if requested.

## The Application Process

Sending Universities have to nominate potential exchange students to Erasmus+ Office, by e-mail (addresses provided in the first page). If accepted by Agora University of Oradea, the Erasmus+ Office sends application forms to potential incoming students. Accepted Erasmus+ incoming students have to submit Learning Agreements for processing by the deadlines below. Then, the Erasmus+ Office sends out confirmation letters to Erasmus+ incoming students.

## Deadlines

For 1st semester – autumn term:

Nominations from partner universities to be received by Erasmus+ Office by **15th July**

Application forms & Learning agreements to be received by Erasmus+ Office by **1st September**

For 2nd semester – spring term:

Nominations from partner universities to be received by Erasmus+ Office by **15th December**

Application forms & Learning agreements to be received by Erasmus+ Office by **1st February**

**Exceptionally, late applications are accepted, if nominations deadline is exceeded.**
