

ICCCC 2026 Discount & Special Fees Policy

(Applies to registration Variants A and B)

Discounts or reductions may be granted under specific conditions, upon written request to the Organizing Committee (simona@dzitac.ro, icccc@univagora.ro).

Requests must be submitted before the payment deadline (**July 31, 2026**).

1. PhD Students

PhD students listed as **first authors** may apply for a **100 € discount from the publication fee (IJCCC component)**.

Proof of PhD status (valid student certificate or official confirmation) must be attached to the request.

2. Co-authors of the Same Paper

- For papers with multiple authors, only **one full publication fee (900 €)** is required;
- Each additional co-author attending the conference pays only the **participation fee (300 € / 700 €)** according to the selected variant (A or B);
- Co-authors choosing **Variant B** benefit from the same accommodation and amenities package as main authors.

3. Accompanying Persons

Separate registration applies for accompanying persons (non-authors).

They have access to social and cultural activities, meals, spa facilities, and may attend scientific sessions as listeners (non-presenting participants).

Accompanying Person Type	Accommodation	Fee (€)	Includes
Shared room with participant	✓	300 €	Shared accommodation, daily meals, banquet, city tour, spa access
Separate room	✓	700 €	Individual accommodation, full board, social events, spa access
Without accommodation	✗	250 €	Social events, daily meals, city tour, spa access

4. General Notes

- Discounts cannot be combined.
- All discounts must be approved in writing by the Organizing Committee.
- Reduced fees apply only after confirmation of eligibility and before payment processing.
