ICCCC 2026 – IJCCC Publication Information and Schedule

Journal: International Journal of Computers Communications & Control (IJCCC)
Papers accepted and presented at **ICCCC 2026** are planned for publication in IJCCC, subject to the journal's final editorial review and acceptance.
Final Paper Submission Deadline: **November 16, 2026**
Authors must submit the **final/revised versions of their papers in LaTeX format**, together with the required **IJCCC Copyright Transfer Statement** and **IJCCC Cover Letter** (attached templates), through the IJCCC Submission Platform, using their existing accounts.
Papers submitted before the November 16, 2026 deadline may undergo further review by IJCCC editors and reviewers upon submission, allowing for earlier editorial decisions, subject to the completion of all publication requirements.

Publication Status – Color Legend

- Green: Publication requirements completed.
- Red: Publication fee pending.
- Black: Final submission/documents pending.

Publication schedule: IJCCC Issue No. 6/2026 (confirmed for publication) and Issues Nos. 1–4/2027 (planned, subject to final editorial acceptance and allocation).

IJCCC No. 6/2026 – Confirmed for Publication

The following papers have completed all editorial and publication requirements and are scheduled for publication in IJCCC No. 6/2026.
ID 7591, ID 7537, ID 7226, ID 7506, ID 7422, ID 7424, ID 7470, ID 7525 / ID 7805, ID 7529, ID 7750, ID 7694, ID 7577

Preliminary Publication Allocation – 2027

The following paper IDs indicate the planned allocation to IJCCC issues. This allocation is provisional and subject to final editorial acceptance and possible adjustments.
The deadlines indicated for the 2027 issues refer to the submission of revised manuscripts following the additional IJCCC peer-review process, not to the initial post-conference submission deadline of November 16, 2026.
