- Aqua Park President, Băile Felix

Event Period: October 8–10, 2026

Venues: Hotel President & Hotel Amy & Silvic
Canton Băile Felix & Agora University of Oradea

Purpose: BACStud 2026, now at its 12th edition, is an interactive academic space designed for students and faculty members who wish to share innovative ideas, collaborate, and contribute to the advancement of knowledge.

The event focuses on:

- Collaboration between students, researchers, and specialists;
- Exchange of ideas and applied projects across different fields;
- Promotion of creativity and interdisciplinary research;
- Recognition of the best papers and innovations.

Objectives:

- Creating a friendly brainstorming environment, where ideas can be expressed freely and innovatively;
- Discovering talents in research, innovation, and academic leadership;
- Developing scientific and public presentation skills;
- Encouraging research work and the applicability of innovation in industry;
- Fostering interaction between students, professors, researchers, and company representatives;
- Disseminating the most valuable papers through electronic publication or selective inclusion in journals with ISBN.

Sections:

- Engineering Section
- Legal and Administrative Sciences Section
- Economic Sciences Section
- Multidisciplinary Section for PhD Students
- International Section for Students and Pupils
- Special Multidisciplinary Section for Pupils
- Practical-Demonstrative Applications, Simulations, and “Expo_BACStud 2026” Section
