

The International Conference on Computers Communications and Control (ICCCC) has been founded in 2006 by [I. Dzitac](#), [F.G. Filip](#) and [M.-J. Manolescu](#) and organized every even year by [Agora University of Oradea](#), under the aegis of the [Information Science and Technology Section](#) of Romanian Academy.

The goal of this conference is to bring together international researchers, scientists in academia and industry to present and discuss in a friendly environment their latest research findings on a broad array of topics in computer networking and control.

This edition is dedicated in memory of Prof. Univ. Dr. Habil. Dzițaț Ioan – founder of the International Conference on Computers Communications and Control (ICCCC).
